

# EXPO'11

2011西安世界园艺博览会  
INTERNATIONAL HORTICULTURAL EXPOSITION  
2011 XI'AN

Baogen CHEN  
Mayor of Xi'an Municipal Government

## INVITATION

As one of the cradles of human civilization and the birthplace of Chinese nation, Xi'an boasts over 3100 years of city history and 1100 years of capital history. Xi'an has re-emerged as an important cultural, economic, industrial and educational center of the central-northwest China, with pleasant environment and enormous vitality.

Xi'an will be attracting the global attention in 2011 for the grand opening of the International Horticultural Exposition in Chan-Ba Ecological District. Themed as Eternal Peace & Harmony between Nature & Mankind, Nurturing the Future Earth, the Expo will demonstrate a new development pattern as creating the harmonious coexistence among people, nature, city and garden.

In 2011, an international, cultural and ecological-friendly Xi'an will be presented to the whole world. We believe that the Expo will definitely give you a tremendous impression and unforgettable experience.

We look forward to meeting you at the 2011 Xi'an International Horticultural Exposition.

Best Regards!  
Sincerely,

陳寶根
